## Summary Table

Model	Best For	Key Strengths	Potential Trade-Offs
<b>Novice</b>	Newer players seeking quality build	Affordable entry into carbon fiber paddles; balanced	Slightly less pop and responsiveness than thermoformed
<b>Lab 001</b>	Players wanting stability + lighter feel	Square face for forgiveness, raw carbon, spin	Slightly lower twist weight, less agile feel
<b>Lab 003</b>	Control-oriented power players	Spin, reach, stability	Slightly narrower face (less forgiving)
<b>Lab 003+</b>	Aggressive, fast-handed players	Quick swings, spin, wider face	Less dwell time, slightly reduced control
<b>Lab 005</b>	All-court players wanting feel + power	Plushness, blend of power and forgiveness	Slightly top heavy feel
